ORGANIZATION  
12 June 1981

DIRECTORATE OF OPERATIONS  
REPRESENTATIVES TO THE AGENCY  
BUILDING PLANNING STAFF

25X1

1. Messrs. [redacted] have been appointed to represent the Directorate of Operations on the recently formed Agency Building Planning Staff. They will be responsible for developing and defining DO requirements in planning for a new building on the compound. [redacted]

25X1

25X1

2. As the Building Planning Staff develops decision papers for senior management, area divisions and staffs will be required to form working committees to provide projections on tables of organization, identify space needs, critique papers, and obtain informal management coordinations on the information developed within their components. [redacted]

25X1

3. The Information Management Staff (IMS) will be the Directorate's focal point for all matters relating to planning for the new building. [redacted]
